

MOIRAS

Weaving our destiny.

MOIRAS

At MOIRAS we want to witness the new textile ideas, fashion trends, and experience firsthand the changes that are taking place in the Slow Fashion sector and Circular Economy. Above all, we defend the value of the people behind each brand and their stories. We give prominence to author design, individuals who with their work help us to create a better, more sustainable, and ethical world.

We have seen what you do, and we love your life philosophy, how you create and work. That's why [we invite you](#) to join MOIRAS, To be able to share who is behind your projects, whether you are in the early stages of your idea or already at a professional level, MOIRAS can also be a community, a place where people with the desire to understand, share, and create something unique can come together.

"MOIRAS is dedicated to the present and future of its protagonists. We amplify their voices and their work. We echo their new projects that are radiant with creativity and values".

ABOUT US

We are a great team committed to our own dreams of creating something unique. After many years working in the business world, managing digital projects, iBusiness, in design and creativity departments, and always doing it for online communities of other projects, now it's time for us to come together as a team and share what we know best about textile and fashion, sustainability, business, marketing, the internet world, technology, and communication.

"There's nothing we like more than listening other people's entrepreneurial stories".

"We don't need any reason to show solidarity and create support networks".

WHY YOU?

We are reaching out to you, who stands out for your talent and transformative attitude, with the aim of launching infinite ideas and possibilities for change to improve your **work and your entrepreneurial initiative** in the sustainable textile world, both for fashion and home.. We are interested in your story, your dream, your creative process, your artisanal production... Not only can we further **enhance your brand**, but we will also give **more visibility** to the person behind each project.

"It is essential to have a good product, but it's not enough. To be successful, you need something more. You need to reach customers and know how to convey the passion that the creators have for their product"

WHAT DO WE OFFER YOU?

You will have all the key digital tools to further showcase your projects on MOIRAS and thus promote your brand and become a full-fledged member of the Community.

At MOIRAS, the selection of who participates is essential, because we are interested in your story, sharing it, and that your textile-based products are created consciously. The content is filtered to ensure that all established requirements are met, in order to maintain the quality of the MOIRAS website and ensure that the effort put into creating a unique showcase is evident.

You will have your own dashboard from where you can manage your entire space:

- Publish your creator profile with all the links to your pages and social networks
- Write articles in the MAGAZINE Organize or publish EVENTS
- Participate in the upcoming CLUB in your own GROUPS or in others
- Upload products to the store. If you don't have one, take advantage of this opportunity, and if you already have a store, MOIRAS can be a new sales point.

... Or simply PARTICIPATE to be inspired by other people and also inspire others with your own EXPERIENCE
